LIGHT RELECTION

Autumn and Fall – Did you Know?

We typically think of 'Fall' as the North American version of the word 'Autumn', but it was in fact in widespread usage in England until relatively recently.

Originally a shortening of the phrase 'fall of the leaf', the phrase was common in England in the 17th century.

The word Autumn entered English from the French *automne* and didn't become common usage until the 18th century.

God Bless!
