Parish News letter- 7th Sunday of Easter - 13th to 20th May 2018

THE PAIN WE FEEL AT THEIR DEPARTURE IS THE JOY THEY HAVE AS THEY WAIT FOR THEM TO ARRIVE:

This week we bade farewell to Fr. Eugene Lobo and his sister Mrs Leena Lobo who have been here on holiday. They came here specifically to visit Sr. Leera, who is their youngest sibling in the family. We enjoyed their company to such extent that I wished they stayed longer. Their departure at the airport was an emotional one as I kept in mind that probably we shall never see each other again in this life!

While the Sisters and I stood there to have a final glimpse of them before they disappeared through security and customs checkpoints, their family back in India were calling and texting them as they felt extremely excited to learn that Fr. Eugene and his sister were on their way home, a five year old grandson Kyle had missed his grandmother so much that he had been wondering what she was doing in England that kept her away for such a long time. Here, the Sisters and I were going through pain of departure, while there in India, they looked forward with excitement for their arrival.

In that situation some thoughts came to my mind about what happens when our life on earth comes to a close. Friends and family feel so sad when they see a loved one passing on, there is sadness in parting, tears are often shed. It is because this world is the home we have known since we came to exist. No body departs from this life willingly or with total satisfaction. However, those who have go before us keep wondering when we would join them! Just as the five year old Kyle was anxious to receive his grandma back home irrespective of our own pain to see her go, so also our family members in heaven must be wondering when we shall join them in glory, irrespective of the pain and loss felt by those left behind.

The ascension of Jesus celebrated last Thursday reminds us that we are just visitors on this planet, a time will come when we have to return home. Unfortunately some people treat others as if they are aliens and only they are citizens. The fact is that we are all going, the difference between us is when! To avoid getting lost or to miss our true home, try your best to follow the **WAY**, to search for the **TRUTH** and to live by the **LIFE JESUS CHRIST**. There is **no way**, there is **no truth** and there is **no Life** outside Jesus Christ. Let us prepare well to catch the departure flight and for a safe landing.

Thought on marriage : THE FAMILY IN GOD'S PLAN

Marriage and the family are ordered to the good of the spouses and to the procreation and education of children. The love of the spouses and the begetting of children create among members of the same family personal relationships and primordial responsibilities.

A man and a woman united in marriage, together with their children, form a family. It should be considered the normal reference point by which the different forms of family relationship are to be evaluated.

In creating man and woman, God instituted the human family and endowed it with its fundamental constitution. Its members are persons equal in dignity. For the common good of its members and of society, the family necessarily has manifold responsibilities, rights, and duties.

Matters of Importance
