Parish Mass Book - Readings on page 59

Faith in Jesus

This is a second Sunday of the five consecutive Sundays giving us the Theme of the Eucharist - The Bread of Life. In last Sunday's gospel, we read about the feeding the five thousand men in miracle commonly known as the Multiplication of the five loaves and two fish.

In today's gospel, Jesus's hearers want more 'signs' - more of the 'bread' that will fill their day-to-day hunger. But Jesus challenges them to go deeper than the loaves they received. Jesus calls them and us today to move beyond our desire for instant gratification and quick fixes and discover the word of God creating and animating our lives and our world. The bread of Life Jesus speaks of in today's gospel is: selfless compassion, grace and gratitude - the food that doesn't perish.

The Eucharist demands more than the opening of our hands to take and our mouths to consume. It demands that we open our hearts and spirits as well, so that we may become what we receive. To receive the Eucharist worthily, we must not only consume the sacrament but allow ourselves to be consumed by the sacrament.

In the profound simplicity of the bread and wine of the Eucharist, we are called to become the Christ we receive: Christ the servant, Christ the reconciler, Christ the wisdom and life of God. One can only do this if he or she has FAITH in JESUS CHRIST.
