## FROM FATHER MICHAEL

Veni Creator Spiritus...Come creator Spirit...Heal our wounds and fill our hearts with love. "They were all filled with the Holy Spirit, and began to speak foreign languages..." (Acts 2:4) Pentecost is an explosion of love and joy, an explosion of witnessing and preaching, an explosion of a new way of speaking and a new way of living.

The Creator Spirit that "was moving over the face of the waters" (Genesis 1:2) at the dawn of time, the Creator Spirit that anointed Jesus at his Baptism, led him to the Cross and raised him up on the third day, is now being joined to our spirits. And through this union of God's Spirit with our spirit, sin is confounded, wounds healed and the face of the earth renewed.

Personal renewal and ecological renewal become one and the same. To renew our innermost spirit is to renew the planet. To seek renewal of the planet is to seek renewal of the spirit deep within all of us.

**"Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love."**
