### LIGHT RELECTION :

(In this exam season, some exam answers given in the past...)

- **Define the word "monotony."**  
Monotony is being married to the same person all your life.
- **Use the word "judicious" in a sentence to show you understand its meaning.**  
Hands that judicious can be soft as your face.
- **What does the word "benign" mean?**  
Benign is what you will be after you be eight.
- **What is the correct use of a semi-colon?**  
Only to be used as a last resort, a semi-colon is a partial removal of the intestines.

God Bless!
