LIGHT RELECTION : (Still exam season!)

A friend passed his degree in sound engineering.
He got a 1-2-1-2.

A pirate I know just got his exam results.
High Cs.

Friend of mine just finished his A levels. He studied music of the 1970s, Scandinavia, the history of Eurovision and outlandish fashion design.
He got ABBA.

My calculator stopped working mid-way through my exam. I can't count on it any more.

Did the tree surgeon entrance exam. First question had me stumped.

God Bless!
