THE ARC is a small charitable organisation helping the people that society and some charities overlook, they help the homeless and people with addictions with hands on support. They have been so successful that the Council have given them a building in the City Arcade to help with their work, but like many small charities their budget is limited and they are in urgent in of supplies of Tracksuit bottoms, Tights, small ladies underwear, boxers, socks, gloves bandages/first aid, blankets, nourishment drinks, hand warmers anything that they can directly give to the people living on our streets at this time of year to help improve things even just a little bit. If you would like more information on this project or to make a donation please see Michelle.
