We pray for Pope Francis and all those in leadership positions in all faith communities across the world, that they will inspire hope and courage in the people in their care. **Lord, hear us.**

We pray for world governments as they make decisions which will affect the lives of millions of others, that they will find solutions which will protect the health and wellbeing of the people of the global community. **Lord, hear us.**

We pray for health and emergency care workers, for those involved in any way in supporting and caring for anyone who is sick, isolated, afraid or vulnerable in some way, that God will reward their generosity and self-sacrifice, keeping them and their loved ones safe at this present time. **Lord, hear us.**

We pray for everyone who is supplying food and essential goods to society at large, that they will continue to support people whom they might never meet, that they and those who depend on them will stay healthy. May Jesus, who gave hope to Martha and Mary when he raised Lazarus from the tomb, fill them with hope and courage. **Lord, hear us.**

We pray for everyone who is self-isolating or on quarantine and for those who are in prison at this time, that they will not feel alone and forgotten. May they find reasons for laughter. **Lord, hear us.**

We pray for all those who are working from home, that they will be able to keep on going even whilst missing the support and friendship of their colleagues. **Lord, hear us.**

We pray for parents, teachers, young people and children who are coping with the early closure of schools, colleges and universities and perhaps the fear of an uncertain future, that God, our loving Father, will watch over, protect and bless them. **Lord, hear us.**

We join our intentions with our Holy Mother as we say **Hail Mary...**
