There will be no lottery in either parish for the time being. Thank you to all our supporters.

Safe Guarding: Corpus Christi - Caroline Ward & Pat Timmins

St. Anne - Rosaria Petrucci & Diana Petrucci

Church Offerings

To those parishioners attending Mass for the first time this weekend since Lockdown can we please ask you to give Offering before Mass. As you enter the Church of Corpus Christi or St. Anne's there will be a wooden box marked clearly "**CHURCH OFFERINGS**"

At the end of Mass, as you leave the church, there will be a Church Warden standing at the door with a basket. This Collection is for the **PARISH DEVELOPMENT FUND.**

Remember the best way to help your Parish is by setting up a Standing Order, it is easy. It is easier for you and easier for our counters and office staff. Please speak with Fr. David or email the parish for further information.

Thank you for your support and understanding.

Sponsored Walk

Michael Carter, a parishioner of St. Anne's, is planning a sponsored walk between the two parish grottos of Our lady on Saturday 5th September. Those of you who know Michael will be aware that the distance of this walk will not be an easy one for him. He plans to have his two granddaughters with him as his guardian angels.

The money raised from this walk will be split between the two parishes. Hopefully you will find it in your heart to sponsor Michael for his effort to support the parishes. Sponsor forms will be available soon. Thank you!

Please Wear your Mask

The UK Government have made it compulsory for all people in church to wear some sort of face covering. Face masks are no joy to wear, as I am sure you well know by now and given the choice we would prefer to be free of them. Nevertheless, their practical utility in protecting others and one's self from the virus has been attested by scientific and medical authorities. I am sure that you would agree with me that the public safety of others is a higher good than our own personal comfort.

There are of course people who will be exempt from wearing a face covering, these included children under the age of 11; people who cannot put on, wear or remove a face covering without experiencing "*severe distress*"; individuals with physical or mental disabilities who may have an issue with wearing a face coverings; people who communicate with others through lip-reading; and individuals with breathing conditions will not be required to follow the regulation.

To those individuals who are coming to Mass, please remember the following key points:

- ◆ Please sanitise your hands when entering and leaving the church.
- ◆ There will be no Mass/Hymn Books or Missalettes. Newsletters will be available, but must be taken home.
- ◆ Please leave a metre distance between each household or Common Households while seated. In Corpus Christi Church, one metre equals two chairs. In St. Anne's Church, there is a metre length red and white tape on every pew, please adjust the position of the red and white tape according to your number.
- ◆ Please do not touch the statues. Remember if you have touched something, so may have someone else. The least number of surfaces touched by people the better for yourselves.
- ◆ To request a Mass or Candle Intention(s) please go to the Sacristy to fill out an envelope or form, otherwise post your Intentions through the Presbytery door, during the week.
- ◆ There will be a one way system in place for Holy Communion. Please come forward for Holy Communion a row at a time, remembering to leave a metre distance between you and the person in front of you.
- ◆ There is no Holy Water at this time. Parishioners are welcome to bring in their bottles of water which Fr. David, will gladly bless.
- ◆ If you have to use the toilet, please be prepared to go back in the toilet after Mass to help clean them.
- ◆ Readers please sanitise their hands before touching the Lectionary.
- ◆ Extraordinary Ministers of Holy Communion, please sanitise your hands **AFTER** you have received Holy Communion.

Thank you for your ongoing compliance with guidelines.

Compliance is the only way of ensuring we are safe and are seen to be safe, so protecting the vulnerable.

The Feast Day of the Assumption of the Blessed Virgin Mary

Pope Pius XII formally defined and promulgated this dogma in his encyclical *Munificentissimus Deus* (August, 15 1950). The fact of the Assumption was stated this way:

"It is a dogma revealed by God that the Immaculate Mother of God, Mary ever Virgin, when the course of her earthly life was finished, was taken up body and soul into the glory of heaven."

The Holy Father, Pius XII hoped that meditation on Mary's Assumption would lead the faithful to a greater awareness of our common dignity as the human family.

This dogma of Faith was proclaimed 5 years after the end of World War II. The memory of the human devastation was still fresh in the peoples mind.

After years of unprecedented destruction, Our Lady's Assumption was a reminder therefore of, and impetus toward, greater respect for humanity.

The Feast of Our Lady's Queenship 22nd August

This feast of the Coronation of Our Lady as Queen of Heaven completes the Glorious Mysteries of the Rosary. In the time of king Solomon, who had many wives, he couldn't single out one of them to be his Queen. So, he sat his Mother on the throne to his right. People would ask his mother to intercede for them, because the King would not refuse his mother (*1Kings 2: 17*).

Christ is the Universal King, and as King he has seated his mother Mary on the throne to his right. We too have that same confidence in asking her favours, because her Son will not refuse her.
