Church Offerings

Like all charities, the Church relies on the support of her members. Anyone who is involved with a charitable organisation at this moment in time will be well aware of the financial short falls they are experiencing due to the Coronavirus pandemic.

The offertory baskets are not be being physically passed around at this moment, not because we don't need your support but because of the current Health and Safety Guidelines. Please place your Offerings in the wooden Box as you enter the Church. So, while the baskets are not being passed around please don't pass the Offertory Box or PDF basket by without a thought for Corpus Christi and St. Anne's parishes. God Bless you all, and thank once again for your support.

Our Lady's Birthday 8th September

On 8th December 2019 we celebrated Our Lady's Immaculate Conception. 9 months later we shall celebrate Our Lady's Birthday on Tuesday 8th September 2020.

The Church celebrates only three birthdays; Our Lord's, Our Lady's and St. John the Baptist's.

All birthdays recall the beginning of our earthly pilgrimage. Let us ask Our Lady to accompany us on our pilgrimage through this life so we may reach in safety our heavenly homeland.

Of your charity

Please pray for the souls of Sarah Lowe and Terry Alan Owen who have recently died.

Sarah's Funeral Service will take place in Corpus Christi Church on Tuesday 8th September at 1.30pm.

Alan's Requiem Mass will take place in Corpus Christi Church on Wednesday 23rd September at 11.15am with Reception the night before at 5pm.

Strictly family and invited friends only as numbers for Funerals are still set at 30 mourners.

Face coverings are compulsory. Thank you.

Eternal rest, grant unto them O, Lord....

Stay Alert! Stay Safe!

To those individuals who are coming to Mass, please remember the following key points:

- ◆ Please sanitise your hands when entering and leaving the church.
- ◆ Please leave a metre distance between each household or Common Households while seated. In Corpus Christi Church, one metre equals two chairs. In St. Anne's Church, there is a metre length red and white tape on every pew, please adjust the position of the red and white tape according to your number.
- ◆ Also you must leave a metre distance between you and the person in front of you while exiting the Church
- ◆ There will be a one way system in place for Holy Communion. Please come forward for Holy Communion a row at a time, remembering to leave a metre distance between you and the person in front of you.
- ◆ If you have to use the toilet, please be prepared to go back in the toilet after Mass to help clean them.
- ◆ Readers please sanitise their hands before touching the Lectionary.
- ◆ Extraordinary Ministers of Holy Communion, please sanitise your hands **AFTER** you have received Holy Communion.

Blessed be the name of Mary, Virgin and Mother

On 12th September each year we celebrate the Feast of *The Most Holy Name of Mary*. The name of Mary was chosen by the Most High for the mother of His Divine Son. The object of this feast is for us to commemorate all the privileges bestowed upon Mary by God and all the graces received through her intercession and mediation.

"The name of Mary," says Saint Anthony of Padua, "is sweeter to the lips than the honeycomb, more delightful to the ear than a sweet song, more entrancing to the heart than the purest joy."

May the eyes of the faithful be directed to the figure of the Mother of the Redeemer for us to invoke with love and devotion.

Passport 2 Faith Cards

Many parishioners who had access to the Internet during the lockdown were following Mass from other parishes online. Many found this exercise usefully because it helped them to keep a regular prayer life. However, a virtual Mass can never replace the actual Mass, anymore than a virtual friend can replace the experience of a real physically present friend.

Public Mass has been celebrated in our parishes since the 4th July. Those who have been attending have found the churches to be both clean and safe and well organised, as well as any supermarket especially since the compulsory wearing of a face covering.

If your child is back in the classroom, then there is no reason why your child should not be attending Mass. Children function better with routine. The practise of coming to Mass on Sunday or Saturday evening is important for all of us but especially for the young and the weak in faith. It ensures a basic but important habit of prayer and community.

During the lockdown, children still received an education, but time spent away from the classroom, friends and school community has left the children without the social and emotional skills needed for life. Education is more than just transferring the teachers set of notes from their book to the children's. The same can be said about our Faith.. It is not just about praying and being good. It is about preparing for life, **THE ETERNAL LIFE**.

Equally if there are adults out shopping, eating, drinking, socialising, going to the gym, swimming, getting their hair done, etc... then they is no excuse for them not to be coming to Mass.

It is important for our nation to get back to a regular and normal way of life, equally it is important for us to get back to a regular prayer life.

Those Children who were due to make their Communion in June 2020 and those children who are due to make their Communion and Confirmation in 2021 can collect their *Passport 2 faith* cards from this weekend.
