Our Lady of Sorrows: Tuesday 15th September

IV Jesus meets his mother

The feast of Our Lady of Sorrows follows naturally the Feast of the Exaltation of the Cross. This meeting of Jesus and Mary on the Way of the Cross is one of the saddest moments of the Passion, a moment of profound pain for both the Lord and His Mother; We can imagine recalling the words of the elderly Simeon: "A sword will pierce through your own soul" (Lk 2:35).

May this most Sorrowful and Immaculate Heart console and encourage us in every moment of life and help us, too, to keep going and to stand faithfully with Her on the Way of the Cross, always in the sure hope of the Resurrection. Amen.

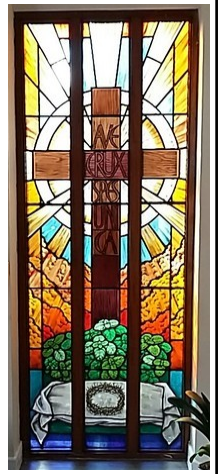

The Exaltation of the Cross Monday 14th September

Two years ago we recalled the 40th anniversary of the opening of St. Anne's Church on the Feast of the Exaltation of the Cross, 14th September 1978-2018.

The beautiful stained glass window in the Vestibule area of the church recalls not only this happy occasion but also those powerful and inspiring words;

AVE CRUX SPES UNICA
Hail the Cross, our only hope

We adore thee of Christ and we Bless thee;
Because by thy Holy Cross,
thou hast Redeemed the world.

Stay Alert! Stay Safe!

To those individuals who are coming to Mass, please remember the following key points:

- ◆ Please sanitise your hands when entering and leaving the church.
- ◆ Please leave a metre distance between each household or Common Households while seated. In Corpus Christi Church, one metre equals two chairs. In St. Anne's Church, there is a metre length red and white tape on every pew, please adjust the position of the red and white tape according to your number.
- ◆ Also you must leave a metre distance between you and the person in front of you while exiting the Church
- ◆ There will be a one way system in place for Holy Communion. Please come forward for Holy Communion a row at a time, remembering to leave a metre distance between you and the person in front of you.
- ◆ If you have to use the toilet, please be prepared to go back in the toilet after Mass to help clean them.
- ◆ Readers please sanitise their hands before touching the Lectionary.
- ◆ Extraordinary Ministers of Holy Communion, please sanitise your hands **AFTER** you have received Holy Communion.

St. Anne's "Red Mission Boxes"

Due to Covid-19 it is not possible to collect the money in the usual way. You will need to empty your own box into an envelope. These envelopes are available from Anne Upton on Sunday 13th September. Please, then bring in your envelope, marked with your details on the front of the envelope into St. Anne's Church for the following weekend, Sunday 20th September. Last year ST. Anne's parish raised £605.08 for the foreign Missions. Thank you for your support.

Passport 2 Faith Cards

Many parishioners who had access to the Internet during the lockdown were following Mass from other parishes online. Many found this exercise usefully because it helped them to keep a regular prayer life. However, a virtual Mass can never replace the actual Mass, anymore than a virtual friend can replace the experience of a real physically present friend.

Public Mass has been celebrated in our parishes since the 4th July. Those who have been attending have found the churches to be both clean and safe and well organised, as well as any supermarket especially since the compulsory wearing of a face covering.

If your child is back in the classroom, then there is no reason why your child should not be attending Mass. Children function better with routine. The practise of coming to Mass on Sunday or Saturday evening is important for all of us but especially for the young and the weak in faith. It ensures a basic but important habit of prayer and community.

During the lockdown, children still received an education, but time spent away from the classroom, friends and school community has left the children without the social and emotional skills needed for life. Education is more than just transferring the teachers set of notes from their book to the children's. The same can be said about our Faith.. It is not just about praying and being good. It is about preparing for life, **THE ETERNAL LIFE**.

Equally if there are adults out shopping, eating, drinking, socialising, going to the gym, swimming, getting their hair done, etc... then they is no excuse for them not to be coming to Mass.

There is a growing concern that while there are genuine people who are nervous about coming back to Public Mass for health reasons, there are those who have seen that life is very comfortable staying at home. They can live very well without having to come to church or receive Holy Communion. Perhaps these people before Covid-19 only came to Church for cultural and social reasons. If the Catholics are only cultural Catholics, then the church will diminish. We need to wake up and take our faith more seriously and use this opportunity to deepen our faith

It is important for our nation to get back to a regular and normal way of life, equally it is important for us to get back to a regular prayer life.
