Appeal

Some older members of our parish communities would like to be able to get to Mass. Sadly, not all of them have their own transport. If you have a car and would occasionally be willing to give an older member of the parish community a lift to Mass, on a weekend or during the week, please contact Fr. David. Thank you!

Fr. Sarves: May he rest in peace

People in Coventry will know the friendly face of Fr. Sarves, sadly Fr. Sarves passed away a few weeks ago. Fr. Sarves was a regular visitor to the UK from India. He spent a number of weeks here in Coventry supplying in the different parishes.

During his stay Fr. Sarves would say thank you to all those who supported 'Holy Family Home for the Needy Balamma Satram' a unique and wonderful place that helped people no matter what their faith. He would share with parishioners how their generous giving was making a difference to people's lives and how with continued support they could continue to improve the health and well being of others inspired by the word's of Christ, "Love one another"

Over the years this home as grown to be an oasis in the middle of a desert thanks not only to those here in the UK but also through the pastoral care and sensitivity of Fr. Sarves. His simple and unassuming character drew many to him. His only concerns were for the people. He'd rather go without than see someone else.

This Sunday, 27th September would have been Fr. Sarves' Birthday. While we mourn the passing of Fr. Sarves, I am sure that he would not want us to grieve but rather continue to look after those in Balamma Satramma. This weekend, the 26th/27th September the Second Collection will be for Balamma Satram in memory of Fr. Sarves. Gift Aid Envelopes are available in both Churches

"Who ever does the will of my Father in Heaven, he will be my brother, sister and mother"
Brother of Christ, may you rest in peace, amen.

Michael Carter's Sponsored Walk

On Saturday 5th September, the weekend before Our Lady's Birthday Michael Carter a parishioner from St. Anne's parish embarked on a sponsored walk between to the two Marian grottos in the parishes. Michael so far has raised £1,010.00 for the parishes. We'd like I'm sure to congratulate Michael and say thank you not only to Michael, but to all those who supported him. Well done!

Getting Back to regular Mass

In a letter to the leaders of the world's episcopal conferences, the head of the Vatican's office for worship and sacraments, Cardinal Sarah said that Catholic communities should return to Mass as soon as it can be done safely, and that the Christian life cannot be sustained without the Sacrifice of the Mass and the Christian community of the Church.

The letter, said that, while the Church should cooperate with civic authorities and be attentive to safety protocols amid the coronavirus pandemic, *"liturgical norms are not matters on which civil authorities can legislate, but only the competent ecclesiastical authorities."*

"As soon as circumstances permit, however, it is necessary and urgent to return to the normality of Christian life, which has the church building as its home and the celebration of the liturgy, especially the Eucharist, as 'the summit toward which the activity of the Church is directed; and at the same time it is the font from which all her power flows' (Sacrosanctum Concilium, 10)."

Cardinal Sarah noted that "as soon as it is possible... we must return to the Eucharist with a purified heart, with a renewed amazement, with an increased desire to meet the Lord, to be with Him, to receive Him and to bring Him to our brothers and sisters with the witness of a life full of faith, love and hope."

"We cannot be without the banquet of the Eucharist, the table of the Lord to which we are invited as sons and daughters, brothers and sisters to receive the Risen Christ himself, present in body, blood, soul and divinity in that Bread of Heaven which sustains us in the joys and labours of this earthly pilgrimage."

We "cannot be without the Christian community," Sarah added, "we cannot be without the house of the Lord," "cannot be without the Lord's Day." "We cannot live as Christians without participating in the Sacrifice of the Cross in the which the Lord Jesus gave himself unreservedly to save, by his death, humanity which had died because of sin...in the embrace of the Crucified One all human suffering finds light and comfort."

The Cardinal explained that while streamed or televised Masses "have performed a great service...at a time when there was no possibility of community celebration, no broadcast is comparable to personal communication or can replace it. On the contrary, these broadcasts alone risk distancing us from a personal and intimate encounter with the incarnate God who gave himself to us not in a virtual way," but in the Eucharist.

"Once the concrete measures that can be taken to reduce the spread of the virus to a minimum have been identified and adopted, it is necessary that all resume their place in the assembly of brothers and sisters...and encourage again those brothers and sisters who have been discouraged, frightened, absent, or uninvolved for too long." (Article found in the Catholic Herald)

Clearly, there is a growing concern that while there are genuine people who are nervous about coming back to Public Mass for health reasons, there are those who have seen that life is very comfortable staying at home. They can live very well without having to come to church or receive Holy Communion. Perhaps these people before Covid-19 only came to Church for cultural and social reasons.

If therefore, your child is back in the classroom, then there is no reason why your child should not be attending Mass. Equally if there are adults out shopping, eating, drinking, socialising, going to the gym, swimming, getting their hair done, etc... then they is no excuse for them not to be coming to Mass either. If Catholics are only cultural Catholics, then the church will diminish.

We need to wake up and take our faith more seriously and use this opportunity to deepen our faith. It is important for our nation to get back to a regular and normal way of life, equally it is important for us to get back to a regular prayer life.
