If you can come to Mass on another day of the week, please do so. The capacity in church is reduced because of social distancing. The ideal, safest scenario is for there to be a good spread of people coming to Mass across the seven days of the week. There is a **daily Mass** at All Souls (times above).

Celebrating, living and sharing God's word today

First reading Isaiah 5:1-7

Isaiah speaks symbolically, starting with a pleasant pastoral image, telling a story that takes two surprising twists.

Second reading Philippians 4:6-9

From prison, where he knows he might never leave, Paul writes the church at Philippi a fond farewell.

Gospel Matthew 21:33-43

Saint Matthew's community were Jews who had become Christians. But they still had to deal with Jews who had not accepted Jesus. Their refusal confounded the believers.

COUNTING OUR BLESSINGS

With all the necessary rules and restrictions governing our lives at the moment, we've become accustomed to thinking in terms of what we *can't do*. But let's view things positively. Here's what we CAN currently do safely:

Attend the **Holy Mass**. Receive our Lord in **Holy Communion** at Mass & in our homes. Kneel in **Adoration of the Blessed Sacrament** before Mass. Receive the Lord's forgiveness and absolution in the **Sacrament of Reconciliation**. Celebrate the Sacraments of Initiation – **Baptism, Confirmation, First Eucharist**. Be joined together in **Holy Matrimony**. Commend our dead to the Lord at a **Funeral Mass/service** in church. Receive the **Sacrament of Anointing** in church/at home/in hospital...and of course, **PRAY**, always and everywhere!

For these and all his many mercies may Almighty God be blessed and praised!

SACRAMENT OF CONFIRMATION This coming Saturday at 5.30pm last year's Year 6 children will receive the Sacrament of Confirmation. Please pray that the *confirmandi* (candidates for Confirmation) will make a mature commitment to the Faith and through the laying on of hands and anointing with the Holy Spirit grow up into the full stature of Christ (Ephesians 4:13).

ST. JOHN HENRY NEWMAN'S FEAST DAY As we celebrate the Feast of St John Henry Newman for the first time this FRiday, let us pray in his words: *Stay with me, Lord, and then I shall begin to shine as you shine, so to shine as to be a light to others. The light, O Jesus, will be all from you. It will be you who shines through me upon others. Give light to them as well as to me, light them with me, through me. Make me preach you without preaching – not by words, but by the sympathetic influence of what I do – by my visible resemblance to the saints, and the evident fullness of the love which my heart bears to you.*

Let us return to the Eucharist with joy!

Part of a Letter of Cardinal Sarah, Prefect of the Congregation for Divine Worship and the Discipline of the Sacraments.

The Christian community has never sought isolation and has never made the Church a city with closed doors. Formed in the value of community life and in the search of the common good, Christians have always sought insertion into society, while being aware of an otherness - to be in the world without belonging to it and without being reduced to it (cf. Letter to Diognetus, 5-6). And even in the pandemic emergency, a great sense of responsibility has emerged. In listening to and collaborating with civil authorities and experts the Bishops of the Church were prompt to make difficult and painful decisions, even to the point of suspending the participation of the faithful in the celebration of the Eucharist for a long period. This Congregation is deeply grateful to the Bishops for their commitment and effort in trying to respond in the best possible way to an unforeseen and complex situation.

As soon as circumstances permit, however, it is necessary and urgent to return to the normality of Christian life, which has the church building as its home and the celebration of the liturgy, especially the Eucharist, as “the summit toward which the activity of the Church is directed, at the same time it is the font from which all her power flows” (*Sacrosanctum Concilium*, 10).

Aware that God never abandons the humanity He has created, and that even the hardest trials can bear fruits of grace, we have accepted our distance from the Lord's altar as a time of Eucharistic fasting, useful for us to rediscover its vital importance, beauty and immeasurable preciousness. As soon as is possible, however, we must return to the Eucharist with a purified heart, with a renewed amazement, with an increased desire to meet the Lord, to be with him, to receive him and to bring him to our brothers and sisters with the witness of a life full of faith, love, and hope.

This time of deprivation gives us the grace to understand the heart of our brothers and sisters, the martyrs of Abitinae (beginning of the 4th century), who answered their judges with serene determination, despite a sure death sentence: “Sine Dominico non possumus.” A very brief expression sums up a great wealth of nuances and meanings that are offered to our meditation today:

--- We *cannot live*, be Christians, fully realizing our humanity and the desires for good and happiness that dwell in our hearts without the Word of the Lord, which in the celebration of the liturgy takes shape and becomes a living word, spoken by God for those who today open their hearts to listen;

--- We cannot live as Christians *without participating in the Sacrifice of the Cross* in which the Lord Jesus gives himself unreservedly to save, by his death, humanity which had died because of sin; the Redeemer associates humanity with himself and leads it back to the Father; in the embrace of the Crucified One all human suffering finds light and comfort;

--- We *cannot be without the banquet of the Eucharist*, the table of the Lord to which we are invited as sons and daughters, brothers and sisters to receive the Risen Christ himself, present in body, blood, soul and divinity in that Bread of heaven which sustains us in the joys and labours of this earthly pilgrimage;

--- We *cannot be without the Christian community*, the family of the Lord: we need to meet our brothers and sisters who share the sonship of God, the fraternity of Christ, the vocation and the search for holiness and the salvation of their souls in the rich diversity of ages, personal histories, charisms and vocations;

--- We *cannot be without the house of the Lord*, which is our home, without the holy places where we were born to faith, where we discovered the provident presence of the Lord and discovered the merciful embrace that lifts up those who have fallen, where we consecrated our vocation to marriage or religious life, where we prayed and gave thanks, rejoiced and wept, where we entrusted to the Father our loved ones who had completed their earthly pilgrimage;

--- *We cannot be without the Lord's Day*, without Sunday which gives light and meaning to the successions of days of work and to family and social responsibilities.

As much as the means of communication perform a valued service to the sick and those who are unable to go to church, and have performed a great service in the broadcast of Holy Mass at a time when there was no possibility of community celebrations, no broadcast to personal participation or can replace it. On the contrary, these broadcasts alone risk distancing us from a personal and intimate encounter with the incarnate God who gave himself to us not in a virtual way, but really, saying: "He who eats my flesh and drinks my blood remains in me and I in him" (Jn 6:56). This physical contact with the Lord is vital, indispensable, irreplaceable. Once the concrete measures that can be taken to reduce the spread of the virus to a minimum have been identified and adopted, it is necessary that all resume their place in the assembly of brothers and sisters, rediscover the irreplaceable preciousness and beauty of the celebration of the liturgy, and invite and encourage again those brothers and sisters have been discouraged, frightened, absent or uninvolved for too long.

Robert Card. Sarah

Prefect of the Vatican's Congregation for Divine Worship and the Discipline of the Sacraments

NHS COVID-19 TEST AND TRACE APP

On 24th September, the NHS launched its Covid-19 Test and Trace App. This app has been developed to assist the Government with its test and trace policy and uses a smartphone. The app works by using the 'Bluetooth' system, which all smartphones have. It registers any other phones within a certain distance, which also have the app installed. This takes place between the phones themselves and is entirely anonymous.

The app registers a contact if the two people have been within a certain distance (less than 2m) of each other for a certain amount of time (more than 15 minutes), according to what is known about the transmission of Covid-19. No information is sent to the NHS or other bodies. If for any reason a person wishes to delete the app from the phone, all the data is also deleted. Similarly, if the app registers that someone you have met recently has been tested positive for Covid-19, it will tell you what you need to do.

There are six benefits to the app which will help users:

- **Trace:** For contact tracing, the app detects and logs other nearby app users using random unique IDs. If any of those users later test positive for coronavirus (COVID-19), you will receive an exposure alert with advice on what to do. If you are under 18, you are advised to show this alert to a trusted adult.
- **Alert:** When you first register for the app you will be asked for the first half of your postcode. You can check the app every day to see whether where you live has become a high-risk area for coronavirus. If it is, you will also receive a notification to let you know. This will help you make daily decisions to protect yourself and those you love.
- **Check-in:** The app allows you to record when you visit a venue by "checking-in" when you arrive, using the venue's QR code. The app records the time you spend at the venue without recording any personal information. You will receive an alert, if you have recently visited a venue where you have come into contact with coronavirus.
- **Symptoms:** If you feel unwell, you can use the app to check if your symptoms could be related to coronavirus (COVID-19). The app will give you a list of potential symptoms and you can then choose the ones that apply to you. It will then tell you if your symptoms suggest you have coronavirus.
- **Test:** If you have coronavirus symptoms, the app will take you to a website where you can book a test to see if you have coronavirus or not.
- **Isolate:** If you have been advised by the app to self-isolate, the app provides a countdown timer so that you can keep track of how long you need to self-isolate. When you reach the end of your self-isolation period, the app will send you a notification reminder with a link to the latest advice for you. If a person using the app tests positive for Covid-19 at some stage, they are given instructions about how to share the information through the system, so that those who have been in contact with them can be notified via the app.

People who do not have a smartphone will still be covered by the existing manual track and trace services, which will continue as at present (see below).

MANUAL COLLECTION OF CONTACT DETAILS OF THOSE ATTENDING PUBLIC WORSHIP

Government guidance for the safe use of places of worship states that churches should assist NHS Track and Trace by keeping a record of those who come to church. **We request contact details of people coming into church for public worship.**

General principles

- ❖ Only a **name** and **phone number** is needed.
- ❖ If a family come together, only one contact number is needed.
- ❖ Anyone is free to decline to provide details and still attend Mass.
- ❖ Details collected will be **stored securely** for 21 days.
- ❖ The legal basis on which the parish will hold this information is your consent.
- ❖ If NHS Track and Trace contacts the parish, details of those who attended the relevant Mass will be made available to them.
- ❖ After 21 days details collected will be **securely disposed of.**

Method of collecting information

When coming to Mass please bring a small piece of paper with your name and phone number on, which you will be invited to drop into a locked metal container in the porch.

Stewards will be on hand to assist.

Funerals, baptisms, weddings etc

Those attending funerals, baptisms, weddings etc will be asked to do the same.

I thank you for your co-operation with this further step to ensure everyone's safety.

Fr Paul
