### The Presentation of the Blessed Virgin Mary 21st November

On Saturday 21st November we will remember the Feast of the Presentation of the Blessed Virgin Mary.

Mary's example gives us strength to radiate light and warmth to the church and the world and also to become places where God's joy is felt and experienced on earth.

If we call the land where Jesus walked upon the "Holy Land" imagine the name we should give and the love and respect we should show to the womb that bore the Lord.

*In Faith she conceived; through faith she believed*

### November, the Month of the Faithful Departed

The Holy Souls cannot pray for themselves, they require your help to release them from Purgatory. Please remember to pray for the Holy Souls, especially in this month of November.

*Eternal rest,  
grant unto them, O Lord  
and let perpetual light shine upon  
them. May they rest in peace.  
Amen.*

*May their souls and all the souls  
of the faithful departed, through  
the mercy of God, rest in peace.  
Amen.*

### Corpus Christi's external crucifix

The cross has been taken down for now. The Romero Academy have kindly organised through the assistance of Mr Conway restoring and repairing the image.

### Prayers for those who mourn the Faithful Departed

Grant, O Lord, we beseech Thee, that while we lament the departure of Thy servants, we may always remember that we are most certainly to follow them.  
Give us grace to prepare for that last hour by a good and holy life, that we may not be taken unprepared by a sudden death, but may be ever on the watch, that, when Thou shalt call, we may go forth to meet the Bridegroom, and enter with Him into glory everlasting.

### Christmas Masses 2020

At the moment things have changed again. As you know the country is in a second Lockdown. The Government hope to have it lifted on the 2nd December, but that date is not set in stone. We were speaking about planning for Christmas as you may recall and how we could manage regarding social distancing. Until the 2nd December we do not see any point issuing tickets for Masses until we are sure that Christmas can be publicly celebrated. All is on pause for now.

### Covid - 19 Guidance, November Lockdown

On 4 November 2020, Parliament passed into law The Health Protection (Coronavirus, Restrictions) (England) (No. 4) Regulations 2020. These are in force from 5 November to 2 December 2020. As well as the Regulations, the Government has updated its Guidance for the safe use of places of worship to reflect current circumstances. The Regulations preclude gatherings for communal worship, including the celebration of Mass, baptisms and most weddings. However, it is important to stress that this does not represent a return to the previous lockdown earlier in the year. In the current Regulations, places of worship are permitted to remain open for certain purposes, and to attend a place of worship is listed as a reasonable excuse to leave home. The purposes for which a place of worship may remain open are listed in Paragraph 18(8) of the Regulations. Most notably, the Regulations allow places of worship to remain open for "individual prayer" which is defined as "prayer by individuals which does not form part of communal worship." It is important that a generous provision is made to open our churches for substantial amounts of time. Priests are encouraged to maintain a presence in their open churches, making themselves available to talk with those who attend for individual prayer.

Funeral Masses and funeral services may continue to be celebrated, with an attendance of up to 30 people (not including those who are required for the celebration). Weddings are only permitted when one of those getting married is seriously ill and is not expected to recover. Such weddings are limited to 6 people excluding the priest or deacon celebrant.

It is important that the routines of cleanliness, stewarding and social distancing to which we have become accustomed, and which have made our churches places of real COVID-19 security, are maintained. Face coverings should continue to be worn in churches, unless individuals are exempt. The maximum number of people allowed in a church for prayer will be determined by its size, seating arrangements and the requirements for social distancing.

Clergy and parishioners are encouraged to read the Regulations and Guidance and make mature judgments about how best they are to be applied in particular contexts.

*Rev. Canon Christopher Thomas. 5th November 2020.*

The Regulations allow places of worship to remain open for "individual prayer", so it is not a return to the previous lockdown earlier in the year. Under the above guidance set out by the Catholic Bishops of England and Wales we would like to ask those parishioners who have generously been stewarding and cleaning our churches to continue. If any feel as though they are unable to continue can you please let Fr. David know so we can find a replacement. Thank you.

We have been informed that to attend a place of worship is listed as a reasonable excuse to leave home. On the weekends our churches will be opened at the normal times, to allow for regularity. During the week Corpus Christi will be opened for Individual prayer on Tuesday and Wednesday at 9am until 10.15am and St. Anne's on Thursday and Friday from 9am - 10.15am.

All priests have been encouraged to maintain a presence in their church during opening times. Fr. David will be there in the church praying privately for the living and the dead.
