### Of your Charity

Please pray for the soul of Trevor Bloodworth who has recently died.

Trevor's Requiem Mass is on Friday 13th November at 10am in Corpus Christi Church, with reception into Church the night before at 5.00pm

*Eternal rest, grant unto him O Lord...*

**The number of mourners permitted on Friday during the Requiem Mass is set at 30. Face coverings are compulsory.**

### November, the Month of the Faithful Departed

The Holy Souls cannot pray for themselves, they require your help to release them from Purgatory. Please remember to pray for the Holy Souls, especially in this month of November.

Eternal rest, grant unto them, O Lord and let perpetual light shine upon them. May they rest in peace. Amen.

May their souls and all the souls of the faithful departed, through the mercy of God, rest in peace. Amen.

### Remembrance Sunday - 8th November

This Sunday we will remember all those who gave and continue to give their lives for Truth, Peace and Freedom.

### Pause for thought....

*As you are now, so once were we.  
As we are now, so shall you be!*

### Corpus Christi Church External Lights

The flood lights are playing up at the moment. Please be careful and patient while we await an electrician.

### Corpus Christi's external crucifix

Many parishioners were deeply saddened and upset to see that the external crucifix outside Corpus Christi Church had been brutally damaged by mindless thugs. How and why anyone would want to do this is beyond belief. Sr. Josephine commented that not even the Roman soldiers broke the legs of Jesus.

The cross has been taken down for now. The Romero Academy have kindly organised through the assistance of Mr Conway restoring and repairing the image and hope to have it back in place as soon as possible.

### Christmas Masses 2020

At the moment things have changed again. As you know the country is in a second Lockdown. The Government hope to have it lifted on the 2nd December, but that date is not set in stone. We were speaking about planning for Christmas as you may recall and how we could manage regarding social distancing. Until the 2nd December we do not see any point issuing tickets for Masses until we are sure that Christmas can be publicly celebrated. All is on pause for now.

### Covid - 19 Guidance, November Lockdown

On 4 November 2020, Parliament passed into law The Health Protection (Coronavirus, Restrictions) (England) (No. 4) Regulations 2020. These are in force from 5 November to 2 December 2020. As well as the Regulations, the Government has updated its Guidance for the safe use of places of worship to reflect current circumstances. The Regulations preclude gatherings for communal worship, including the celebration of Mass, baptisms and most weddings. However, it is important to stress that this does not represent a return to the previous lockdown earlier in the year. In the current Regulations, places of worship are permitted to remain open for certain purposes, and to attend a place of worship is listed as a reasonable excuse to leave home. The purposes for which a place of worship may remain open are listed in Paragraph 18(8) of the Regulations. Most notably, the Regulations allow places of worship to remain open for "individual prayer" which is defined as "prayer by individuals which does not form part of communal worship." It is important that a generous provision is made to open our churches for substantial amounts of time. Priests are encouraged to maintain a presence in their open churches, making themselves available to talk with those who attend for individual prayer.

Funeral Masses and funeral services may continue to be celebrated, with an attendance of up to 30 people (not including those who are required for the celebration). Weddings are only permitted when one of those getting married is seriously ill and is not expected to recover. Such weddings are limited to 6 people excluding the priest or deacon celebrant.

It is important that the routines of cleanliness, stewarding and social distancing to which we have become accustomed, and which have made our churches places of real COVID-19 security, are maintained. Face coverings should continue to be worn in churches, unless individuals are exempt. The maximum number of people allowed in a church for prayer will be determined by its size, seating arrangements and the requirements for social distancing.

Clergy and parishioners are encouraged to read the Regulations and Guidance and make mature judgments about how best they are to be applied in particular contexts.

*Rev. Canon Christopher Thomas. 5th November 2020.*

The Regulations allow places of worship to remain open for "individual prayer", so it is not a return to the previous lockdown earlier in the year. Under the above guidance set out by the Catholic Bishops of England and Wales we would like to ask those parishioners who have generously been stewarding and cleaning our churches to continue. If any feel as though they are unable to continue can you please let Fr. David know so we can find a replacement. Thank you.

We have been informed that to attend a place of worship is listed as a reasonable excuse to leave home. On the weekends our churches will be opened at the normal times, to allow for regularity. During the week Corpus Christi will be opened for private prayer on Tuesday and Wednesday at 9am until 10.15am and St. Anne's on Thursday from 8.45am - 10.15am.

All priests have been encouraged to maintain a presence in their church during opening times. Fr. David assures you he will be there in the church praying privately for the living and the dead.
