 Jesus tells the parable of the wise and foolish virgins, teaching his disciples the importance of being prepared to receive the Kingdom of Heaven.

There's a true story that comes from the sinking of the Titanic. A frightened woman found her place in a lifeboat that was about to be lowered into the raging North Atlantic. She suddenly thought of something she needed, so she asked permission to return to her stateroom before they cast off. She was granted three minutes, or they would leave without her. She ran across the deck that was already slanted at a dangerous angle. She raced through the gambling room with all the money that had rolled to one side, ankle deep. She came to her stateroom and quickly pushed a side her diamond rings and expensive bracelets and necklaces as she reached to the shelf above her bed and grabbed three small oranges. She quickly found her way back to the lifeboat and got in. Now that seems incredible because thirty minutes earlier she would not have chosen a crate of oranges over the smallest diamond. But death had boarded the Titanic. One blast of its awful breath had transformed all values. Instantaneously, priceless things had become worthless. Worthless things had become priceless. And in that moment, she preferred three small oranges to a crate of diamonds. —There are events in life, which have the power to transform the way we look at the world. Jesus' parable about the ten virgins offers one of these types of events, for the parable is about the Second Coming of Christ.

THE GOVERNMENT HAVE INSTRUCTED THAT CHURCHES WILL HAVE TO STOP CELEBRATING PUBLIC MASSES UNTIL DECEMBER THE 2ND. DURING THIS MONTH OF NOVEMBER ALL MASSES WILL BE VIA WEBCAM ONLY.
