**World day of Prayer for the Sick - 11th February
The Feast day of Our Lady of Lourdes**

The Holy Father, Pope Francis writes;
The celebration of the XXIX World Day of the Sick on 11 February 2021, the liturgical memorial of the Blessed Virgin Mary of Lourdes, is an opportunity to devote special attention to the sick and to those who provide them with assistance and care both in healthcare institutions and within families and communities. We think in particular of those who have suffered, and continue to suffer, the effects of the worldwide coronavirus pandemic. To all, and especially to the poor and the marginalized, I express my spiritual closeness and assure them of the Church's loving concern....

To Mary, Mother of Mercy and Health of the Infirm, I entrust the sick, healthcare workers and all those who generously assist our suffering brothers and sisters. From the Grotto of Lourdes and her many other shrines throughout the world, may she sustain our faith and hope, and help us care for one another with fraternal love. To each and all, I cordially impart my blessing.

Mass will be in St. Anne's on Thursday 11th February at 9.30am. Come and join us if you aren't at work and ask Our Lady of Lourdes for her prayer and intercession for the sick especially for any covid patients.
