To you God entrusted his only Son.

Congratulations

We congratulate our three Candidates for receiving the Sacraments of Confirmation and Holy Communion this Easter Sunday in Corpus Christi Church, Congratulations to Sophie, Jack and Riley. We thank their Parents and Sponsors for supporting them thus far, and ask you all to continue to support them in the years ahead. God Bless.

The Easter Octave Masses

The Octave is eight days celebrating the same Feast. We can celebrate Easter Sunday eight times. Every Mass you attend during the Easter Octave is as though you were celebrating the one. So if you felt unable to come to Mass on Easter Sunday because you were worried about too many people and social distancing then you can still come to Mass during the Octave and fulfil your Easter Duties, we even provide an Offertory Box during the week so you don't feel as though you have missed out in supporting your Parish. We are thoughtful that way!! LOL!! (*Maybe the Easter Bunny will come eight times, who knows....*)

Collection over Easter

There will be only one collection on the Easter Weekend and during the Easter Octave. It will be for your Parish Priest.

St. Anne's Easter Raffle

Thank you to all those who have organised this raffle and donated the prizes.

The draw will take place after Easter Sunday Mass. You are welcome to wait to see if you are a lucky winner!

Preparing our two Churches for Easter

Thank you to all those who gave up their free time to prepare our churches for Easter.

Thank you for the beautiful flowers; thank you Maria Bloodworth for Corpus Christi Altar Candles; thank you for the cleaning and the polishing especially in St. Anne's after all the dust created through repairing the heating system; thank you for the music and the ministries and for the gardening and to all in any way, shape or form for taking care of God's House.

Gift Aid and the New Tax Year

In past years the finance team from both parishes have used the time in March building up to the new tax year on 6th April as an opportunity to encourage members of the congregation who are Income Tax payers to join the scheme and those who are already Gift Aiders to update their details. As you well know, many charities, including churches have been severely hit financial due to the coronavirus pandemic. Many households also have seen their own Income be reduced due to wage cuts and/or unemployment. If there was a way to increase your household Income without having to take on a second job increase your working hours, wouldn't you want to take it? Well, there is a way for Charities to increase their financial support without people having to give more. It is called **GIFT AID**.

If you pay Income Tax or Tax on your pension then you qualify to be a Gift Aid supporter. If you are a UK Tax Payer, we would very much like you to join our Gift Aid scheme. It does not cost you anything more. It merely means that your parish will benefit from the UK Government, a benefit which is much needed, especially during these difficult times.

On another but similar matter;

a number of people have turned to the Internet for Mass during the ongoing pandemic period. While it is great to hear Mass even if only virtually and join in with the prayers at home, we still need to remember that our parish church is still there in the physical world. Parishioners may well be attending Mass in a "Virtual Presence" but we can assure you that the cost of running both parishes are very real. Corpus Christi parish, costs £100 - £120 a day to run and St. Anne's parish £45 - £50 a day to run. The differences are mainly due to the size of Levies which are based on Income. There are larger Insurance, Maintenance and Utility Bills, plus St. Anne's does not have any Presbytery running costs as their Presbytery is rented out.

Those parishioners who are no longer attending their Church, but would like their parish church to be there in good working order when they return or need the assistance and ministry of their Church, or even those who are hit and miss when it comes to attending church, it may well be that the best way for you to support your Church is by setting up a Standing Order. You can do this whether you are a Gift Aider or not. Setting up a Standing Order with your bank and the parish bank is very easy and straight forward and will make life easier for you and the parish counters.

Our churches, whichever our parish may be, are there seven days a week, 52 weeks a year. They need constant support. Thank you to those who have been supporting the Church, especially throughout the pandemic. No one would like to see their parish church suffer or to be closed in the future because people only saw their giving to their parish church as nothing more than an entrance fee, i.e. they only gave when they attend. God bless you all for your kindness and support.
