Feast of the St Matthias, Apostle

Feast Day: 14th May

Matthias was the apostle chosen by the remaining eleven apostles to replace Judas Iscariot following Judas' betrayal of Jesus and suicide. His calling as an apostle is unique in that his appointment was not made personally by Jesus, who had already ascended to heaven, and it was made before the descending of the Holy Spirit upon the early Church. He was stoned at Sebastopolis in 80 AD and was buried there, near the Temple of the Sun
