← COVID-19: KEEP MORE THAN 1 METRE APART →

END OF COVID RESTRICTIONS - NOT QUITE!

The Bishops have asked that we continue to maintain safe practices in church. We renew our thanks to our cleaners and stewards **VENTILATION – windows and doors will remain open, HANDS – sanitise, FACE – wear a face covering over mouth and nose, SPACE – stay a metre (or 3 feet) away from people not in your household**

ALL MASSES ARE NOW PUBLIC Please come and celebrate Mass in person if you are able and feel safe being out and about at indoor events. **PLEASE BOOK FOR 1045 SUNDAY – phone, email, note through the door or on the website. We are not full but can give you warning if we are IF you book.** The weekday Masses, with their small congregations, are obviously the safest way to come back to Mass. You may also see how the church is kept safe. If you have not been back yet, now's the time.

Do say hello and introduce yourselves.

Don't hesitate to be in contact if we can help.

-- THANK YOU! --

We celebrated in style and with rejoicing Our Lady's Birthday and the 40th Anniversary of the church building last Wednesday. It was a truly happy occasion that spilled over from the Mass and into the social gathering afterwards.

Thank you to everyone who attended and made it so joyful, and especially to those who stewarded, cleaned, served refreshments, arranged flowers, supervised parking and in any way worked hard for this event. **Thank you all!**

FR STEPHEN WRITES: You will see on this sheet a note of thanks from the clergy for the joyful parish event that was our celebration last Wednesday of Our Lady's birthday and the fortieth anniversary of the church building. It was lovely! Many people said so, and one of them was Fr Harry – it was great to have him back. It was of course a much-needed touch of normality. The evening gave us all a taste of joy and community that we look forward to more of, as time progresses, and the pandemic guidelines are eased.

But we shall never be normal until more people are returning to Mass. If you are physically fit and well, and back at the supermarket, café or any indoor event what is it that keeps you away from the indoor event that is Mass at St Joseph's? Is there something we can do to help you return? The church is very well ventilated, masks are worn, sanitiser used, seats spaced, the chairs are cleaned, and parishioners respect the need to be careful. Do let us know if we are missing something. We would be very glad to be working on solving the happy problem of how to accommodate an increasing congregation! **God bless you**

FR PETER REFLECTS: Archbishop Bernard's diocesan vision second priority is FORMATION. On Education Sunday the words of St John Paul II are very apt: The task of the teacher and the school is indeed a sacred trust conveyed to them by parents and families... To you is given to create the future and give it direction by offering to your students a set of values with which to assess their newly discovered knowledge. Few challenges are more exciting and rewarding than the instruction and guidance of young people, and few more difficult... No one else will ever be where you are. No one else will ever have the opportunity you have to accompany students in their search for truth, to foster in them a thirst for justice, and an appreciation of the goodness of God, to lead them patiently and lovingly in the journey of faith. Young people are hungry today for truth and justice because they are hungry for God. To respond to the hunger is the highest calling of the Christian educator. In partnership with the parents who bear the primary responsibility for the education of their children, the teacher is called upon to reflect, in faithful and

discerning fashion, God's presence in the world. (Address to Catholic Educators, Canada, 12 September 1984).

TODAY IS EDUCATION SUNDAY Please pray for all involved in Catholic education.

WARWICK UNIV CATHOLIC CHAPLAINCY MASS will resume in the Chaplaincy Centre (*not* in St Joseph's Church) on Sunday 26 September at 1230pm.
