**PARISH FINANCES\*** Our parish is a community and we all have to work together in offering our time, skills and talents to enhance the Kingdom of Heaven where we live. It would be wonderful to have more of us involved.

**CENSUS FORMS.** There is plenty of opportunity to get involved and it would be good to see how you can get involved. **CARPARKING.** The area directly in front of the presbytery could be used to provide bays for disabled/extra parking. If you have any questions or thoughts please speak to me and I will be delighted to hear your views.

**From St Francis School** Dear all, the school holidays are full swing at the moment more from the school on the return in September!

**King Street** The four houses in King Street are being given a face lift to the front of the properties. Internally, number 57 has been completely redecorated and has been brought into a habitable rental condition to rent. The other 3 houses will be looked at in the coming months. A productive meeting took place with the diocese, Mary and Fr Pat with regard to the houses on King Street and the way forward to set them up to a good standard for rent. Fr Peter Conley has been resident in 59 King Street while helping the parish of St Joseph but has now been appointed to Bearwood parish as their parish priest. We will be renovating the interior so as to get a new tenant there, the money that comes in will help towards the revamp of the car parking and immediate grounds of the church. After our talk with the diocese it was agreed that extra car parking would be advisable and extra security is important too so as to preserve the space for all. Now we have been granted access to the deeds of the boundaries of our church we will renovate the carpark next year.

### **150th anniversary of the Catholic mission at St Francis Bedworth**

In 2025, on October 4th, the Feast of St Francis, we would like to celebrate the 150th anniversary of our church. In 1875 John Ross set up a room for instruction that became a chapel for the Catholic Mission of Bedworth. To do this we would like to form a steering group of parishioners to coordinate the events. We want to arrange fundraising events to highlight the 150th celebrations. The 150th would be marked with a celebration Mass in church and a reception possibly at the Civic Centre. Our presence in the community is a source for rejoicing and we would like to involve the local community as well as our own parish and school communities. In the 12 months leading up to the Mass the interior of the church will be painted and the grounds around the church improved. I am delighted that we can set about this task of celebrating as a whole parish community, it is something to prepare for and look forward to also.

### **MASS SCHEDULE CON'T SUNDAY 18TH AUGUST**

The minutes will be posted in the churches and a designated place found on the noticeboards to highlight the meetings. A summary of the accounts for each church will be placed on the notice boards in the next couple of weeks. We are made up of three distinctive parishes, this group will explore ways of working closer together to engage more fully in the task of being Christ's body in our own time and place. Pilgrimages, fund raising, youth initiatives, care of the housebound and sick, and social events are suggestions for future planning

### **A Prayer for Ukraine, the Middle East and areas of war and conflict in our world.**

Loving God, We pray for the people of Ukraine and the Middle East, for all those suffering or afraid, that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices. We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need. May we walk in your ways so that peace and justice become a reality for the people of Ukraine and the Middle East and for all the world. **Amen.**

**Marching Caterpillars:** You may know the famous story of Jean Henri Fabre, the French naturalist, and his processional caterpillars. He encountered some of these interesting creatures one day while walking in the woods. They were marching in a long unbroken line front to back, front to back. What would happen if he made a complete ring with these worms? Would they break their circle or not? So, Fabre captured enough caterpillars to encircle the rim of a flowerpot. He linked them nose to posterior and started them walking in the closed circle. For days they turned like a perpetual merry-go-round. Although food was near at hand and accessible, the caterpillars starved to death on an endless march to nowhere. — That seems to be the story of many people today. They are on a march that leads to nowhere. We need to stop for a moment and sit down in the presence of Jesus and receive him as the Bread of our spiritual life in order to give the ultimate aim and direction to our life's journey.

**Pope St. John Paul II** "Mary is assumed into heaven: small and humble, she is the first to receive the highest glory. She, a human creature, one of us, attains eternity in soul and body. And there she awaits us as a mother waits for her children to come home."

### **Christmas Shoe Box Appeal**

We are about to embark on this year's packing of up to 3000 shoe boxes for Christmas 2024 and, thanks to your generosity, we have lots of lovely items to send to children age 3 - 15 years in Eastern Europe. With the ongoing war in Ukraine some of these children are in even greater need of our support and they cherish every crayon, hair slide and soft toy as well as the toothbrushes, soap and socks that many children here take for granted. We are very grateful for your ongoing support, whether it be items for the boxes or financial contributions towards the cost of transport. Donations can be left at the back of church and, for further information, please email cogs3561@hotmail.com or call 07900024385.

**Repair Work** is being carried out in the graveyard at the moment to make the paving more secure and safe. A review of marked and saved graves will take place soon. To establish where potential new graves may be offered. Could all those who have booked graves here at Our Lady of the Sacred Heart let me know and bring in the paperwork you have at your leisure. When improving the grounds we would like to place small crosses to establish where each grave is and to plan where new plots can be offered in the future.

**Old Water Tanks in Hall.** After the inspection for Legionella it has been recommended that the old cold water tanks are removed as they are full of stagnant water and the old pipe sealed so that water cannot be standing in the system.

**Summary of Accounts:** at the back of church there is a summary of the accounts for the church, listing payments and receipts. At the end of each year the church accounts are submitted to the diocese, via an annual return form. At present we are reconciled up to the last bank statement. Part of the recommendation is to publish summaries to our parish communities.
