Prisoners' Sunday, 13 October 2024

Pact is the national Catholic charity supporting prisoners, people with convictions, and their families. This year marks 125 years since the charity's formation as the Catholic Prisoners' Aid Society. Today Pact supports people of all faiths and none, working in more than 60 prisons, in courts, and in communities across England and Wales. The support of Catholic parishes has been and continues to be invaluable.

Pact CEO Andy Keen-Downs shares: "Every day, I hear how our prisons are in crisis. Prisons are overcrowded and inspection reports are often dire. There are many in prison experiencing mental health crises. Whilst with the new government we are waiting for system change, we must carry on, sleeves rolled up on the prison wings and landings. The change we make happen every day is in the human heart. People only change when they believe it is possible and when they find the motivation.

"The Prime Minister recently announced that our prisons are in crisis. Prisons are not just overcrowded; they are now almost completely full. The new Government has resorted to an early release programme to free up spaces and to begin to tackle the squalor, and record levels of violence and self-harm. And so, our Pact workers are busier than ever. Over the coming months, thousands of prisoners will be released early. Many will hope to be reunited with family. Some will have no one to return to, and nowhere to call home. Most will need a job. Many will be in urgent need of practical, financial and emotional support. The probation service is struggling, and in some areas, is overwhelmed. So, as has been the case so many times in the past, we are stepping up, and we are calling for help. We will do all we can to support these men and women to make a fresh start, to give them the support they need to live crime free lives. As we mark 125 years of service, please support us this Prisoners' Sunday, to build bridges of hope for people leaving prison."

This year's World Mission Sunday takes place on 20th October 2024.

This day of prayer, solidarity, and giving unites Catholics everywhere in sharing the Good News of God's love which has the power to transform lives and heal our world. Missio England and Wales invites every parish, school, and community to join this special event through prayer and giving.

Pope Francis invites all Catholics to support Missio, his charity for world mission, on this special day. Every Catholic parish worldwide is called to play their part through their prayers and offerings. Everyone gives what they can, with those in greatest need receiving the most support.

Safeguarding

Safeguarding is ensuring that our children and vulnerable adults are kept safe. It is the responsibility of all people within the Parish. If you see anything that could be harming to children or vulnerable adults, say something and report it to the Parish Priest, Safeguarding Representative, or the Safeguarding Team at the Diocese.

See it, Say it, Report it. Dear Parishioners, we wish to keep our Parish communities safe, and should you want to carry out a role or set up a group or activity, please do let the Parish Priest and your Safeguarding Representative know. They can support you with this and ensure that processes including Safer Recruitment paperwork and follow up is completed. Thank you for your support in keeping our Parish community safe.
